\*\*Community Meeting Held at our Lodge

# A Note from the **EXALTED RULER**

Tony Woodbeck

Well I am now through my 5th month as E.R. What a time it has been.

The lodge is prospering and thriving, and you all have yourselves to thank.

The new Board of Directors, as House Committee is a blessing.

We will now have Continuity with all the departments, such as the kitchen, bar, and the everyday goings on of day to day operations of the lodge.

You will all notice some subtle changes in the next month in the lounge and meeting room.

We have already moved the pool table, and there will be some changes with the tables, but that should be about it.

We are expecting to start work on the lodge items that desperately need repair.

Bar Floor, paint the building, replace flooring, and so on.

There are a few items that need to be addressed.

First it has been brought to my attention, we need to fill a few committee chairs,

We need an Activities Chair person.

Membership Chair person.

Both of these chairs are very important to the operations of our lodge,

First Activities Chair would be responsible among other things for getting volunteers to help plan and decorate, Sell Tickets for events, Design, print, and place flyers for events, just to name a few.

Membership Chair is extremely important as we all know, helping to promote membership, Enter information in computer to be submitted to State. They are of critical importance at membership drives, they would work with Activities Chair to promote our membership drives.

Work with new members, as well as existing members who may need help with membership issues.

Both of these Chairs are of utmost importance, and could really use someone who is dedicated to helping our lodge continue to thrive and grow.

If you would like to discuss either of these positions, please contact me at

[tonyw94561@gmail.com](mailto:tonyw94561@gmail.com)

or see Dan, Ron, Karen, Reed, Myself or any of the officers in the lodge, we would be glad to discuss it with you.

Thank you all for all your help and support.

I'd like to say happy Birthday to my Wonderful wife Karen, we will be celebrating her birthday in the lodge on September 19th. AT 5:00 PM. It is a Saturday, I have planned to have a two piece band, Cake and some appetizers. If you would like to attend, and celebrate with us, we would love to have you.

EVERYONE IS INVITED, please come and wish her a Happy Birthday.

Karen has asked that instead of gifts, she would like you to make a contribution in her name to either Elks National Foundation, or Tall Elks Therapy Program.

Hope to see all of you there.

As Always your humble servant

## ELK OF THE MONTH

It's that time of the month again, to announce this month's ELK OF THE MONTH.

We have been blessed with some great new members lately. Many have already offered to volunteer to help with many things, from decorating for events to cooking, working at BINGO, and just coming to the lodge for dinner, or just to hang out and be part of the herd.

This month a couple have really stepped up and helped in the kitchen, BINGO, and been just a really big help, and are a great couple and fine friends, so I would like to announce that this month's ELK OF THE MONTH .

**Dave Brandt and his wife Angela.**

When I needed help to clean the kitchen and organize it for our annual inspection, they showed up and cleaned for about 8 hours with me. They have both been helping with cooking in the kitchen, Dave runs the kitchen on Sunday at BINGO while Angela teaches Sunday school at their church. On Friday evenings Angela works in the kitchen serving food, and cooking. Wednesday Dave can be found playing Poker in the lounge.

I would like to say thank you to you both, I can't tell you how much I appreciate all you do. **Thank you for all your help**

# BOARD OF DIRECTORS REPORT

Where has the time gone, September is here and only 3 weeks of summer left, I guess that we are having fun and the time goes by very fast. I know by now it sounds like a broken record but again I will tell you that our finances are doing great, our membership is up by 25 new members. We have the most gain in our District. We applied for four Grants, Beacon to help our Veterans, Gratitude to help with community projects, Promise for youth activities and Freedom to help our Veterans. We were approved for three of them and will not know about the Freedom Grant until the end of this month. As you all know we applied for a Repair Loan from the WSEA for \$22,000.00 to make needed repairs in our Lodge, we got the loan and the terms are \$405.00/month for 60 months at 4% simple interest. We have money in the bank to do these repairs but we felt it was best to keep the money in reserve for any emergency and borrow from the State Elks at a low interest rate. Hopefully we will be starting the work in the next couple of weeks, it will not interfere with any of the Lodge activities except during the painting of the Lodge unless you want to get paint on your car. We are having our yearly Grand Lodge Audit on September 2<sup>nd</sup> and we are confident that again it will be excellent, thanks to all the Officers and Volunteers that keep our Lodge in great shape. Keep an eye on your emails and Lodge calendar, we are having a few events in the next couple of months that are going to be fun and also big Fund Raisers for our Charities and Programs. The Bingo is doing great and between the Bar, Kitchen and Bingo we are generating enough cash flow that allow us to contribute more to our Programs. A few members have asked why we do not have Pull-Tabs any more, well it was a very easy decision; the license was due \$600.00, very few people were playing and it was a major job keeping the games in balance and with the little profit we made it was not worth renewing the License so the decision was made to pull the games and not renew to license; I hope this answers your questions but if not I will be glad to meet you and give you more details of why it did not work in our Lodge. There are other programs we are working on such as the Antlers and Youth Activities, I will let you know once we have definite dates. Our next BOD meeting will be on Friday September 4th at 10:00am and is open to the Lodge Members, this is your Lodge and we are your representatives; if you have any ideas or suggestions for the Board please come to the meetings and let us know, we want to hear from you. Again thanks to all our members for their continued support and big thanks to all the Volunteers for a Fantastic Job.

Do not forget “ELKS CARE- ELKS SHARE”

Fraternally yours, Dan Fajardo, Chairman, PER.

## FROM THE LEADING KNIGHTS LANCE

By Ron Devore

Due to the passing of Lynda's mother, there will not be an article this month.

Please keep them in your thoughts and prayers.

# Antlers

**"The Antlers" Junior Elks Program** is a very special program we want to start here at our Lodge, and we will be the first in WA to do so! This program is for young people in our community to get involved with the Elks in the many service-related projects our Lodge sponsors.

In short, its major objectives include fostering the spirit of American Patriotism, teaching respect for parents and love of home, and fostering fundamentals of good citizenship and character. The program allows our youth to use our Lodge for meetings, dances, fund-raising and any other neat activities they choose.

I am asking all Members to look to their families, their neighbors, to recommend to me a youth or two, between the ages of 12 and 20- who is a citizen, of good character and who believes in God. Someone who you think would greatly benefit from this type of association.

Thank you.

## VOLUNTEER NEEDED

As many of you know last year's car show was a huge success for our lodge, we were able to raise thousands of dollars.

Thanks to John Link, and Forrest Adams, as well as all the others who spent nearly 6 months getting it all together. They have also been in charge of it for the past 4 or 5 years. This lodge owes them a huge debt of gratitude.

With that being said both John and Forrest have said that they do not want to be in charge of it this year. That they wouldn't mind helping but do not have the time or the energy it takes to organize this event.

I am putting out a desperate Cry for Help, lol well not really desperate, just a bit needy.

We need someone with a bit of car enthusiasm, and maybe some show experience to head up the committee this year, and get the Clam Digger Rod Run, going.

It will be held in May, Saturday May 14th, the Saturday after Mother's day.

If you would like to volunteer, or help with this event please contact me by email, or by phone at the lodge.

Any help you give will be greatly appreciated.

This event is HUGE for our lodge and we need it to continue successfully. It won't do it by itself.

Please contact me ASAP.

Thank You. Tony Woodbeck

**By Bob Manko**

A generous and tireless PER has been laid by the still waters of peace. Bruce A McLeod, 2001-2002, passed away this last month. Those who knew him will surely miss him.

As the PERS are looking for new adventures, we have decided to write, produce, direct and star in a new soap for old PERS. The burning question has to be answered, can old PERS find contentment living in a small retirement community? We have tossed about a few titles for this sensual, tantalizing and moving series. The old and the restful, as the beach erodes, the bald and the so-so, general clinic and middays of our naps. As we are in the early stages of production, look for the upcoming episodes where we learn that Joe and Ben discover a link in their past.

### **A NOTE FROM OUR SECRETARY**

you there.

Summer is here! Hope everyone is enjoying themselves. Tourist means more RV campers at our lodge. Great business for the lodge. This has been a busy month. The officers had a DD clinic in Aberdeen on the 9<sup>th</sup>. We had officer training on the 10<sup>th</sup>. We are having an audit review on the 17<sup>th</sup>. The actual audit will be September 2<sup>nd</sup>. September 2<sup>nd</sup> is our first lodge meeting for the month. We are back to two meetings a month. We will be having initiations on the 2<sup>nd</sup>. Hope to see

# PER CORNER

By  
Bob Howe

## The PER Corner

The August meeting was held on 8/11 at the lodge. Attendance was less than we would like but the discussion was as lively as always. Centered around PER membership, the gist was that a PER is Always a PER of the lodge that he served, but does not have to belong to the PER Association. On A very sad note it was announced that Bruce McLeod PER (2001-2002) had passed away. His picture and name was placed on the "In Memoriam" board.

Let's get everyone to the next meeting, October 13, 2015 at 6:30 PM.

Bob Howe PER Pres.

"The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realization of the evil which has been introduced into our midst." J. Edgar Hoover

**Calling all Sponsors.** Over the next month or so we are trying to touch base with all our Members, particularly the ones we don't see often (or at all) in the Lodge. We want to make sure they feel welcome and missed. Therefore, I am asking every Member who Sponsored someone to make a call and see how they are and then send me a short email at [er@bpoe2581.org](mailto:er@bpoe2581.org)

# “OUR KIDS”

## Washington Elks Therapy Program for Children, Inc. Our State Major Project

Kimberley has grown to be an energetic, friendly, social teenager. She will be entering 7th grade in the fall. She has received OT from the Washington Elks Program since she was 3 years old. Kimberley was born 3 months premature and had many neonatal complications, resulting in Cerebral Palsy with spastic quadriplegia. Her therapy has changed over the years from dealing with sensory issues resulting from hip surgery to muscle stretching and strengthening to manual wheelchair mobility to electric wheelchair use and technology. We still work on developing better muscle control for sitting, standing, transferring into and out of her wheelchair, and using her arms and hands. However, new needs have included working on self-dressing and using technology. Handwriting is not very functional for her so we are working on keyboarding on the computer and Ipad. She is quite motivated to work on these things. At times, we will work on tasks that come up in her daily life that she would like to be able to do. As any teenager these days she enjoys playing video and computer games and listening to music on her ipod. Adaptations sometimes need to be made to help her do these tasks. Problem solving is the name of the game as we strive to help her be functional and as independent as possible.

## What is the purpose of the Lodge House Committee?

The House Committee is the governing body with responsibility for (from the Bylaws):

## COMMITTEE ACTIONS – THE FOLLOWING ACTIONS/DECISIONS WERE TAKEN BY THE COMMITTEE:

1. Lodge event/function seating: Effective **September 1, 2015**, seating at all lodge events will be first come first served – there will be no reserved seat designations. This is necessary to ensure the best utilization of available seating as well as to make sure that all ticket holders have the same chance to get their preferred seating location.
2. The Lodge Face Book/Web page administrator (Joan Hill) will be invited (at a time and place of her choosing) to brief the House Committee on the functioning of the site with the objective of ensuring that the Administrator is receiving whatever support is needed to maintain and operate the site in an accurate and timely manner (Ira Silverman).
3. The pool table will be relocated from its current location on the dance floor. The relocation will be done in conjunction with the carpet replacement, lounge improvement and floor leveling project(s). It appears that the best location is in the Lounge, just inside the movable wall.
4. Approval was received to investigate and procure (pending Board funding approval) round “bistro” style tables (to seat 5+) for the Lounge – to replace the existing rectangular tables (Dan Fajardo).
5. Approval was received to investigate the feasibility of replacing the main room tables with 8+ person round (60+) tables (Dan Fajardo).
6. Approval (pending Board funding approval - \$15/mo.) was received for a 6-month On-Line “store” feasibility study. The store would be utilized to sell tickets for events, automating dues payments and facilitating direct donations, etc.
7. Notices to the lodge member email distribution list are restricted to authorized individuals only. Authorized individuals are responsible for posting their notices and must provide instruction to the Office for any additional postings. The Office will not automatically re-post notices sent to the lodge member list.
8. Kitchen inventory will be changed from monthly **manual count** to **perpetual**.
