A Note from the **EXALTED RULER**

Tony Woodbeck

Well Merry Christmas and a Happy New Year.

It has been one long year hasn't it. It seems like just yesterday we were ringing in the New Year.

Most of the Snowbirds have flown south for the winter, Things are just as busy at the lodge as ever.

We have a lot of new faces around the lodge as we have a lot of new members now. If you come in and see a new face, please by all means go and introduce yourself, we all remember what it was like to be the new kid and not hardly know anyone. Let's try and make everyone feel welcomed.

The past couple of months seem to have been extremely busy, and this month is no exception. We have our annual Christmas Party and our New Year's Eve party coming up. We have our annual Community Christmas Party and toy Give a way. We also have our Christmas tree for the needy, again in the lobby, you will find children on this tree, ages, Sizes, that sort of thing, please, please feel free to take a card from the tree, and help support a needy family this year. No child should miss out at Christmas Time.

I would like to thank, Russ Harr, and the Tacoma Lodge for their generous donations of Bicycles, Toys and Cash. Ocean Shores is Russ and his wife Ruby's second home away from home. He, is a great asset to our lodge as well as the Tacoma Lodge. Thank You, Russ.

I would like to take this opportunity to thank all those who, Volunteer, Support, and Love our lodge. We do great things all year long, and so many times we get busy and forget to thank someone for their service. Sometimes by accident someone is overlooked, or falls through the cracks because they are always there, and they somehow get overlooked. So I want to thank each and every one of you, Thank you for your continued support of our lodge, and keep up the good work. You all deserve a great pat on the back for all you do all year long.

So here's to another successful year, Profitable, Charitable, and Giving.

Tony Woodbeck, Exalted Ruler.

REMINDER Next Lodge meeting is **DECEMBER 2nd**

BOARD OF DIRECTORS REPORT

Well here we are December 2015, seems like we installed our new ER only a couple of months ago, only 3 more months and we will be installing a new ER. We are having a very good year, our membership is up our finances are in great shape, we are improving our building and the Lodge is looking great, the roof was completely done now we are waiting to paint the bldg. and install new gutters; also we will be installing a new floor in the next few weeks. We had a few fundraisers for ENF, Tall Elks and the Scholarship Fund and we did fairly good; not as well as we wanted but enough to send a few dollars to our charities. During the month of November our Lodge co-sponsored with the local VFW Post the Grays Harbor Stand Down, this was our third year, we brought from Portland a Mobile Dental Unit to help veterans with dental work and our Lodge cooked for over 200 veterans at the South Shore Mall in addition we had a very successful Veterans Day celebration and we served dinner to 104 veterans and they danced to the Paul Bouma Band until late in the evening. It was a very tiring week but it was fun. This month we are having our Children Christmas Program on Friday the 18th, thanks to an ENF Grant we will be able to serve a Christmas dinner to low income families and those in need in our community; our ER will be sending notices on this program as well as radio announcements. On another note, remember our yearly elections will be at the last meeting in February and nominations must be in by the first meeting in February. This coming year the office of the Secretary will be up for election, if you know of a member in good standing with office experience that would be interested to run for the office but would like to know more about its duties please ask them to call the office and leave a message for me or call me directly and we can talk about the Duties of the Secretary. There are other programs we are working on such as the Antlers and Youth Activities, our ER will let you know once we have definite dates. Our next BOD meeting will be on Tuesday December 1st at 10:00am and is open to the Lodge Members, this is your Lodge and we are your representatives; if you have any ideas or suggestions for the Board please come to the meetings and let us know, we want to hear from you. Again thanks to all our members for their continued support and big thanks to all the Volunteers for a Fantastic Job.

FROM THE LEADING KNIGHTS LANCE

By Ron Devore

Just another reminder that thanks to BOD member Reed Simpson, our Calendar of Coming Events is available @ <http://www.calendarwiz.com/calendars/calendar.php?crd=bpoe2581>. At the top is a "Lodge Store" button. Clicking there lets you view and pay for upcoming lodge events, donations and payments for other products. Please check it out and use it. It makes planning for events much easier and helps save money for the lodge. Oh, and there is even a button to "Suggest Event" if you have anything in mind.

Elections will be coming up for the 2016/2017 Lodge Year. Please consider stepping up. We will need a Lodge Secretary. This is a part time paid position. The Lecturing Knight Chair will be vacant. Contact me or any officer for further information.

Have you ever noticed the same faces serving all the time at lodge events? "Physical or mental collapse caused by overwork or stress" is the definition of **burnout** (I just looked it up). I write this to remind all of you that new faces are always welcome. Personally, I would like to see the same people volunteering only once a month instead of one or more times per week. Please help if you can. Also, the lodge is looking for someone 18 or over to wash dishes for us. This is a paid four hour gig for Friday night dinner and other events.

VOLUNTEER OF THE MONTH

It is my distinct honor also to choose the "Elk" of the Month. I have known Mei Fajardo for as long as I have been an Elk. She worked very hard with Dan, our Past E.R., Side by Side with Mark and Patty Swanson during there year as Exalted Ruler and first lady, and she has been such a huge help to Karen and Myself this year, our term of Exalted Ruler. She works so hard as our Auditing Chair person, and this year she was able to do such a good job we received Zero demerits with the state.

She volunteers for Bingo, and almost every event we hold at the lodge. So Mei, Karen and I, would like to thank you for all the help you give us all year long and for your dedication, to the lodge, the Elks and all the members in ours and every other lodge you have touched, Thank you so much, you well deserve Elk of the Month.

By Bob Manko

Your PER treasurer has just returned tan and relaxed from a 3 weeks of self inflicted. Elk Symposium on the beach in Mazatlan, Mexico. I spent the first week under an umbrella in 90 degree temperatures reading old Elk magazines. In between issues I Would frolic in the ocean in 80 degree water temperature. While basking I would, as my doctor had suggested to keep well hydrated. Hydration of choice was Pacifico Cervasa kept cool in a bucket of ice. The 2nd and 3rd weeks were spent renewing my obligation.

Sounds believable doesn't it?

A NOTE FROM OUR SECRETARY

Christmas is almost here. Hope everyone has been good this year, don't want any lumps of coal. We will be having our membership Christmas Party on 12-19-15. Hope everyone can come. It should be a great time for all. The New Year's Eve Party of course will be 12-31-15. Remember if you buy your tickets ahead of time there will be a \$2.50 discount. The lodge store on line is now up and running. You can buy your tickets on line along with membership dues and donations. Check it out. The New Year means in April we acquire a new ER. I will not be continuing as the secretary. Anyone that is interested in the position please contact one of the officers or myself. Hope to see you at one of the upcoming events.

The PER's are between meetings as our next one is the 8th of December. We do hope that your Thanksgiving was the best ever.

Just because we don't meet as a group doesn't mean that we are not doing things for the good of the ELKS

We PER'S will be hosting the famous Tom and Jerry party after our annual Memorial service. This service will give way to the Seahawks game and will be held

Saturday Dec. 5th at 11:00 AM. The Tom & Jerry party will be directly following the service.

We are also looking forward to the coming Christmas doings at the lodge and look forward to seeing all of you around the Holidays.

“Our Kids”

Washington Elks Therapy Program for Children, Inc. Our State Major Project

There is almost nothing more devastating than finding out that what you thought was a double ear infection on top of bronchitis, is much bigger and much more ominous. Two years ago, Damon's family received such news. At the age of 18 months, Damon was diagnosed with Acute Lymphocytic Leukemia (ALL).

Acute Lymphocytic Leukemia (or ALL), is a cancer of the blood and bone marrow which mostly affects children. This is one of the more “curable” childhood cancers, and 80% of children with this type of

cancer respond to chemotherapy treatment within the first 6 weeks.

Unfortunately for Damon and his family, he was not among that group. He is in fact in the category of children who have a very high risk of recurrence. As such, he receives daily oral chemotherapy at home and once per month he goes to the hospital to receive higher dose “pulses” of chemotherapy. During chemo “pulses”, Damon also receives high doses of steroids, which have a tendency to increase his activity level. This is scheduled to continue for 15 more months.

Damon's weakened immune system prevents him from attending

school or spending much time out in his community interacting with other children. That makes the home-based nature of the Elks Therapy Program a perfect fit for Damon!

Damon has some fine and gross motor delays and primarily after his pulses, some sensory regulation issues. Through his therapy, Damon has learned how to manipulate buttons, which is important for dressing. Damon is more engaged in fine motor activities such as writing and coloring, although these are still not preferred activities. He has

also found a new passion in Legos which helps to develop his fine motor skills. Damon and his family are learning strategies to helping him regulate his steroid “highs”.
